FTE Claims

Claims are where 'ownership' of all or part of an FTE is different from the Appointment (i.e., Spousal/Partner, Chancellor's Joint, Transfers, etc.). When the FTE is vacated upon faculty separation, the claimed FTE portion would return to the unit listed under the **Claiming School**.

Claim Types - The [Claim Types](#) are defined in the Utilities tab.

FTE ID - Clicking the [FTE ID](#) number will open its 'FTE ID Information' card.

Current Employee ID - Clicking the [Employee ID](#) will open the 'Faculty Member Overview' card.

Claim Start - When 1976-07-04, this indicates the actual date is prior to the FFTE Registry data.

Claim End - When 2099-12-30, this indicates that the end date has not been identified.
