

Disposed FTE

This page maintains historical records of all FTE that have been Disposed since the initial stages of the Faculty FTE Registry creation.

Export (button)

Use to export the data displayed on screen as a csv file which may be manually converted to a Google Sheet or MS Excel, as needed.

FTE ID - Clicking the [FTE ID](#) number will open its 'FTE ID Information' card.

Employee ID - Clicking the [Employee ID](#) will open the 'Faculty Member Overview' card.

Disposal Types - The [Disposal Types](#) are defined in the Utilities tab.

Note - Maintained by the Registry Administrators.
