

Employee ID

Faculty Member Overview

These pages display the UCPATH Lived Name, Employee ID and other available data about the specific faculty member. Clicking the linked Employee ID anywhere in the Registry will open the individual's page.

FTE in Current Workforce

List of current appointments of the faculty member and their associated details.

FTE ID - Will display blank when the UCPATH appointment is a non-Registry-FTE entry.

Annual Rate - This displays the UCPATH salary rate for the appointment.

Reg FTE – This FTE will be displayed in red when the Registry FTE does not match the UCPATH FTE. This is common.

FTE History

Listings shown are historical occupations (including current) of all FTE IDs since inception of the Registry for the identified faculty.

FTE Start - When 1976-07-04, this indicates the actual date is prior to the FFTE Registry data.

FTE End - When 2099-12-30, this indicates that the end date has not been identified.

Full EAH Workforce Info

Listings shown are all entries from the Employee Activity Hub (EAH). All rows are shown, but not all fields/columns. This is a pilot set of data during initial launch that may be groomed in future versions of this Registry.
